**Re: Open Records Request #4 –
“Raider University” Community Learning Initiative**

Dear KASD Records Custodian:

We are the Kiel BOSS — Building Oversight and Stewardship Society, an independent organization of and for KASD taxpayers.

Pursuant to Wisconsin Statutes §§ 19.31–19.39, we request access to and copies of the following existing records relating to the “Raider University: A Community Learning Initiative” program advertised for the 2026–2027 school year:

1. All records identifying who conceived, designed, authorized, or approved the “Raider University” program, including the date of authorization and any Board action, motion, or resolution related to its creation.
2. All records reflecting the source(s) of funding for the “Raider University” program, including any budget, cost estimate, invoice, contract, or purchase order associated with its planning, design, printing, advertising, or delivery.
3. Any contracts, agreements, proposals, or communications with Nexus Solutions, Morris Leatherman, or any other outside vendor or consultant relating to the “Raider University” program.
4. The communication plan referenced at the July 21, 2026 Board meeting (previously requested in our September 11, 2026 request), to the extent it references, incorporates, or overlaps with the “Raider University” program.
5. All records discussing, planning, or referencing a facilities referendum to be placed on the April 2027 ballot, including any records connecting such a referendum — in timing, content, or purpose — to the “Raider University” program.
6. All internal or external communications (emails, texts, memos, presentations, or meeting notes) among Board members, administrators, or staff that reference “Raider University,” from its inception through the date of this request.
7. Records sufficient to show staff time, contracted time, or in-kind resources allocated to developing or delivering the “Raider University” program, including which employees, departments, or outside parties are involved.

We request these records in electronic format where available. Please contact us if any part of this request is denied, and cite the specific statutory exemption relied upon, per § 19.35(4)(b).

Thank you,

Kiel BOSS
