## GOALS for a Better BOARD of EDUCATION

Fix the ongoing High School **ACADEMIC CRISIS**  
"meets few expectations" can not continue

Honestly address our **BULLYING CULTURE**

**STOP HIDING THE TRUTH**

**JUST BE FAIR** to everyone

*Enough is Enough!*

**Mike Joas**

Mike has already been elected twice to this Board and has a proven track record of voting against many of the current Board's controversial lockstep positions and actions. He owns a very successful local business and has two children in the district.

**Matt Piper**

As a Wisconsin state licenced Professional Architect, Matt has been successfully solving complex problems involving bureaucracies and varied stakeholders professionally and creatively for 30 years. He currently serves on multiple Kiel area non-profit Boards.

**Write-in: Henry "Tre" Waldren**

Tre's extensive professional resume includes several Executive Director positions with varied organization types as well as years of practical experience on surrounding area school boards. He has an impressive history of serving righteous causes, and is often considered the "go to" person.

**GROWTH**

This priority area measures year-to-year student progress on statewide tests. It uses a value-added model that seeks to control for circumstances beyond the influence of educators. A high value-added score means that on average students in the school are progressing more quickly than other, similar students. Growth is scored from 0 to 100 to match the other priority areas and is a conversion from the roughly 0 to 6 value-added score.

**Priority Area Score**

English Language Arts Score: 28.0  
Mathematics Score: 20.4

**Bottom 1% in Wisconsin**

This school's score was the same or higher than 0.7% of 9-12 schools in the state.
