Hello Stuart,  
Am I correct in my understanding that you are the KASD WASB delegate? And if so, are you able to retrieve the following information and share it by request?

<https://wasb.org/legal-human-resources-services/school-law-resources/legal-comments-list/c198005/>

Curious if you can offer any assistance in retrieving this information.

Thank you,  
Shane Konen

Hi [REDACTED]

Our members are public school districts in Wisconsin. We don't have a membership for citizens.

You are welcome to go to our website and look at our information. However, there are some pages that are only for our members.

Thank you for asking.

My apologies Shane,

I let this one get completely past me.

Here it is attached.

If there is anything else I can assist you with, please let me know.

Respectfully,  
Stuart

Hello Shane,

Getting late and my log-on credentials are saved on my laptop (currently using my phone). Yes, I will get this info for you.

Tomorrow (today), I will be traveling to our plant in Owen WI and returning in time to watch [REDACTED] participate in a basketball tournament in Valders at 6pm so it will be a busy day with a lot of driving. If I can remember and find the time, I will send it tomorrow, otherwise I will on Friday if that is OK with you.

Respectfully,  
Stuart
