*Did the KASD school board even bother to get a second or third opinion about spending \$67,000,000 on a new middle school?  
Can we see all the written recommendations please?*

*Did the KASD school board even bother to ask any other design/build teams if they could build us a new middle school for less \$67,000,000?  
Can we see all the bids please?*

*Do any KASD school board members understand how to leverage \$67,000,000 to save KASD tax payers millions of dollars on a construction contract?  
Please name one member,  
we have some questions for him/her too.*

**Do our elected school board members know what they are doing with our millions of tax dollars?**
