Hi [redacted]

Shane told me that you just got one of the Together Against Hate signs! If anyone up at school is also interested in one, we have plenty more. Just tell them to reach out to me or contact the Facebook page Best For Kids in the KASD. There is a group of people who are helping us distribute them. We are happy to help spread more positivity across Kiel :).

Hope you're having a great week!
Kindly,
Kim Konen
