Dr. Brad Ebert won't ever answer

Like with a home loan, were our KASD leaders responsible enough to save up for a down payment to mitigate the costs of a \$67,000,000 loan?

Or did they set us up to pay the most interest possible?

Why aren't our KASD leaders being honest and telling us the total cost for their referendum idea is really \$116,000,000 with interest?

Has the school maintenance problem been ignored for all 8 years Dr. Ebert has been in charge?

Do our elected school board members know what they are doing with our millions of tax dollars?
