The founder of this PAC called the sheriff's office on the individual who shared this information. This is public record, knowledge available to anybody. What is to hide? Why be so upset over your name getting out there when it's public by nature? Seems incredibly suspect. Why would we hide funds? Is this a Mequon v2?

Kiel is being threatened repeatedly by those who would like to divide our community. Let's unite against it. **Those with hateful views will see** how we can overcome this together. Together, against hate.

Oliver Kornetzke

Wouldn't surprise me if it is someone affiliated with the local hate groups in Kiel (Tri-County Citizens or Common Sense Kiel) were behind the bomb threats.

**Why does the Kiel Area School District have so many political issues?** Read about how board member Randy Olm, newly-elected board members Mike Joas, Diana Schaefer, Jamie Henschel, and the Tri-County Citizens undermined addressing racism and brought America's culture war to our once peaceful community.
