

Where's Megan?

Did Megan Kautzer get fired from she/her position as "Title IX Officer" and "Chief Pronoun Enforcement Officer" at KASD?

It's not like all those bomb threats were a direct result of Kautzer forcing she/hers woke agenda down the student's throats in the first place!

It's not like she/her made up the crime of "mispronouncing"

The screenshot shows the Kiel Area School District website. The header includes the district logo and navigation tabs for District, Families, Community, and Schools. The main content area is titled "Student Non-Discrimination Notice" and contains the following text:

Student Non-Discrimination Notice
